

Lucira Health to Participate in LifeSci Partners HealthTech Symposium

September 7, 2022

EMERYVILLE, Calif., Sept. 07, 2022 (GLOBE NEWSWIRE) -- Lucira Health, Inc. ("Lucira Health" or "Lucira"), a medical technology company focused on the development and commercialization of transformative and innovative infectious disease test kits, and a digital health platform that will connect patients with providers, today announced that the company will participate in the LifeSci Partners HealthTech Symposium on September 21st, 2022, at 10:30am ET. A live and archived webcast of the event can be accessed through the [Events and Presentations page](#) of the Lucira website.

About Lucira Health

Lucira is a medical technology company focused on the development and commercialization of innovative infectious disease tests to make lab-quality diagnostics more accessible. Lucira designed its test platform to provide accurate, reliable, PCR-quality test results anywhere and at any time. Beyond its already commercialized COVID-19 and COVID-19 & Flu Tests, Lucira is working on new diagnostic tests for respiratory infections and other categories including women's health and sexually transmitted infections (STIs).
